Employment Opportunity

Position: Consultation Coordinator

Duration: Full-Time Permanent

The Netmizaaggamig Nishnaabeg (Pic Moberg First Nation) is an Ojibway Community of approximately 350 people whose traditional territory expands White Lake in Northwestern Ontario.

Purpose and Scope:

Under the direction of the Lands and Resources Manager, the Consultation Coordinator is a highly motivated individual with exceptional organization skills, possesses excellent attention to detail, and exceptional written and verbal communication skills. The role of the Consultation Coordinator is to receive consultation requests from various Ministries or proponents, on behalf of Netmizaaggamig Nishnaabeg. The Consultation Coordinator will file each request appropriately and follow the consultation procedures set out by the Lands and Resources Department. With the full assistance of the Lands and Resources Department, the Consultation Coordinator is to ensure that every consultation request is responded to within the associated timelines. The Consultation Coordinator is also responsible for consultation tracking and document filing in our internal systems. The Consultation Coordinator will also be monitoring all terms and conditions of permits to ensure they are being upheld. The Consultation Coordinator will engage proponents and organize site inspections.

This is a full-time permanent position with Netmizaaggamig Nishnaabeg and is eligible to enroll in our employee benefit package.

Knowledge:

- The candidate must possess land stewardship awareness;
- Environmental and safety standards awareness;
- Understand the long-term vision of Netmizaaggamig Nishnaabeg (Pic Moberg First Nation) Lands and Resources land stewardship;

Skills and Abilities:

- Quick learner that can grasp new concepts, procedures, new technologies and be able to adapt in a changing working environment;
- Ensure effective and efficient planning and implementation of weekly, monthly and yearly scheduling;
- Co-ordinate all activities to maintain established targets;
- Traditional land use activities experience/knowledge;
