Netmizaaggamig Nishnaabeg is hiring a Student Support and Engagement Coordinator to support the academic success of our students attending Marathon High School. This role is based in the school's cultural room and works under the supervision of the Student Success Manager. The coordinator will build strong relationships with students, families, school staff, and the wider community to foster student well-being and success.

## **Key Responsibilities:**

- Provide one-on-one and group academic support, including mentorship, tutoring, and goal setting
- Organize cultural programming, workshops, and extracurricular events
- Plan family engagement opportunities, including community dinners and school visits
- Assist with the transition of Grade 8 students into high school
- Track student attendance, academic progress, and graduation outcomes using tools such as Edsby
- Support summer learning opportunities and connect students to programs like OYEP, alternative education, and employment pathways
- Oversee the student nutrition program, including planning and shopping for meals
- Help build a strong school-community connection that supports student identity, confidence, and motivation

## **Qualifications:**

- High School Diploma (OSSD) or equivalent
- Knowledge of Indigenous culture, history, and the educational challenges Indigenous students face
- Experience working with Indigenous youth in school or community settings
- Excellent relationship-building, organizational, and communication skills
- Ability to work independently and as part of a team
- Comfortable traveling to community as needed
- Familiarity with education systems and student tracking tools is an asset

This position will play a key role in supporting both academic success and the overall wellness of our students.
