Good afternoon community members,

On behalf of Hydro One's Indigenous Relations team, we are notifying you of an upcoming planned outage that will affect your community on **Sunday September 10th** for 10 hours - between **8:00am and 6:00pm**.

Hydro One is advising residents in your community and the surrounding areas of a planned power outage on September 10th from 8am-6pm for crews to safely perform critical work.

This outage has been planned to provide crews optimal time to complete maintenance to enhance the ongoing reliability and quality of the service provided in your area.

Residents of the affected areas should receive, if they have not already, notifications for this outage via the Hydro One AutoDialer system.

We take these outages seriously and understand the impacts that they can have on your community and its members. If there are any concerns or questions regarding this planned outage, then please contact me.
