

WHITE LAKE LIMITED PARTNERSHIP

General Partnership for the White Lake Resources Corporation

Job Opportunity

White Lake Limited Partnership / Barminco Contract- Hemlo Mine Site

White Lake Limited Partnership is a wholly-owned entity of the Netmizaaggamig Nishnaabeg (Pic Mobert First Nation) and is the First Nation's principal business development corporation. Formed in 2009, the partnership is engaged in a variety of business lines and serves as a cornerstone of the Netmizaaggamig Nishnaabeg's sovereign wealth strategy. It was developed for the economic and social benefit of the Netmizaaggamig Nishnaabeg and is responsible for the business activities and partnerships developed by the partnership.
